In re the Matter of

Applicant: WOLVOL INC.

Serial No.: 85453974

Mark: WOLVOL

Published: July 10, 2012

Volvo Trademark Holding AB,

Opposer,

v.

Wolvol Inc.,

Applicant.

Opposition No.:

NOTICE OF OPPOSITION

Volvo Trademark Holding AB, a corporation of Sweden, with an address at c/o AB VOLVO, SE-405 08 Göteborg, Sweden, believes that it will be damaged by registration of the mark WOLVOL shown in Application Serial No. 85453974 and hereby opposes same.

As grounds for the opposition, it is alleged that:

1. Opposer's predecessors in interest and related companies (hereinafter collectively referred to as "Opposer") are now, and have since the 1950s in the United States and the 1920s elsewhere, been engaged in the sale of automobiles, trucks and other vehicles and many vehicle related goods and services under the trademark and trade name VOLVO. The VOLVO mark is used on the vehicles, including cars, trucks, construction equipment, marine and aerospace goods and services, and in advertising for VOLVO products. In addition, Opposer's related companies

license the VOLVO mark for use by VOLVO dealerships for the purpose of selling VOLVO vehicles and goods in the United States. Use of VOLVO by authorized VOLVO dealers is extensive throughout this country. Opposer has used the VOLVO mark on many other goods and services over the past decades.

2. Opposer's use of VOLVO in the United States precedes Applicant's filing date in the United States and any use date upon which Applicant can rely. Opposer has been using the VOLVO mark extensively on automobiles and other goods and services in the United States for many years.

3. By virtue of extensive advertising, sales and promotion of Opposer's automobiles and other goods in the United States under the VOLVO trademark, VOLVO has become and is a strong, distinctive and famous trademark in the United States within the meaning of The Lanham Act, entitled to the very broadest scope of protection. Opposer's VOLVO mark became famous prior to Applicant's claim of first use of its mark and before Applicant's filing date. VOLVO has been held to be a famous trademark many times, including in numerous ICANN proceedings administered by WIPO. The VOLVO trademark is one of the most valuable trademarks in the world. As a symbol of Opposer's goodwill, its value is immeasurable. Opposer alleges, on information and belief, that the VOLVO mark is associated exclusively with Opposer and its many goods and services.

4. Opposer is the owner of many valid, subsisting, and unrevoked U.S. trademark registrations, upon which it relies in this proceeding, including the following. Status copies of these registrations are attached as Exhibit A.

5. Opposer is also the owner of pending application Serial No. 85/088375 for the mark VOLVO and design for goods and services in classes 1, 3, 4, 6, 7, 11, 12, 14, 16, 18, 25, 28, 35, 37, 39, and 41.

6. The application herein opposed seeks to register the mark WOLVOL in International Class 9 for “Computer screens; Computer touchscreens; Electronic writing tablets;

Laptop computers; Laptops; Notebook and laptop computers; Notebook computers; Overlays specially adapted for touchscreen displays; PC tablet; Tablet computer.”

7. Applicant was on constructive notice of Opposer’s VOLVO trademark registrations at the time Applicant filed its application to register WOLVOL as a trademark by virtue of Section 22 of The Lanham Act, 15 U.S.C. §1072.

8. The goods in Class 9 in the opposed application overlap with and are related to Opposer’s goods sold under its famous VOLVO mark and name. Applicant’s goods would be likely to be thought to have emanated from the same source as Opposer’s goods and services, or to have been approved, endorsed or sponsored by Opposer, or to be related to Opposer’s goods and services.

9. The trademark in the opposed application, as applied to the Class 9 goods set forth in that application, is confusingly and deceptively similar to Opposer’s previously used and registered VOLVO mark and name.

10. Opposer believes and therefore alleges that the use and registration of the trademark WOLVOL by Applicant will damage Opposer, for the reasons, among others:

- a. That purchasers and persons in the trade will be confused or deceived as to the source and origin of Applicant’s goods offered and sold under the mark WOLVOL; and
- b. Purchasers, persons in the trade and others will assume, contrary to fact, that Applicant’s goods are associated with, sponsored by or otherwise related to Opposer.

11. Registration of the mark sought by Applicant in International Class 9 herein is barred by the provisions of Section 2(d) of the Trademark Act of 1946 for the reason that it

consists of or comprises a mark which so resembles Opposer's previously used and registered trademark and trade name as to be likely, when applied to the goods of Applicant, to cause confusion, mistake or deception.

12. Registration of the mark sought by Applicant herein is barred by the provisions of The Trademark Act of 1946, as amended, for the reason that it consists of a mark which is so similar to Opposer's previously used, registered and famous mark, as to dilute the distinctive quality of Opposer's mark within the meaning of Section 4(c) of The Lanham Act.

WHEREFORE, Opposer respectfully prays that the registration sought by Applicant be refused and that this Opposition be sustained.

Please charge the \$300 opposition fee to the undersigned's Deposit Account No. 19-4880. Please charge any deficiency or credit any overpayment to Deposit Account No. 19-4880 as well.

Respectfully submitted,

VOLVO TRADEMARK HOLDING AB
